Preface

This book is an English book dedicated to Junior High School Students in Trenggalek Regency. This book is an outcome of research and development thesis research carried out in 2020. This book adapted from "Desaku Yang Kucinta" book. This book is expected to be able to meet the needs of students learning English. This book is an English language book based on local wisdom in Trenggalek Regency. With this book, students and readers are expected to be able to help students to learn English by using materials that are around their environment.

On this occasion, we thank you for the contribution of all parties in the improvement of this book. Hopefully, we can provide the best for the advancement of the world of education in order to prepare a generation of Indonesia of higher quality.
